ECUSA will assist ECL in the renovations of church related buildings, including such facilities as schools, clinics, and hospitals. It will also help in providing supplies and other aids, as outlined in ECUSA will continue to give moral and financial assistance to ECL in its support of Cuttington ECUSA will continue to support the annual operating budget of ECL with the understanding that the amount of support may decline each year until ECL has eventually achieved full financial independence.

ECUSA and ECL will develop strategies to work together in partnership to accomplish these goals. Of great importance is the exchange of people to share the ministry of Christ through different spiritualities, cultures, and skills. We see parish to parish companionships to be beneficial for both churches.

ECUSA will render assistance to ECL in the review and updating of its Pension Plan for clergy and qualified church workers.

A Joint Committee of Consultation (the Covenant Committee), including members of ECUSA and ECL, will continue to consult, cooperate, and offer advice on a regular basis.

This Covenant shall be subject to review and modification as may become necessary and will continue in effect until agreement by both parties to terminate.
