

The Episcopal Public Policy Network

Join the EPPN!

What is the EPPN?

A nationwide grassroots network of Episcopalians like yourself who call and write their members of Congress and the Administration to advocate positions of the Church.

The Mission of the EPPN

Members of the EPPN are committed to living by the promise we make in our baptismal covenant to *strive for justice and peace*.

Why is Joining Important?

Your national leaders need to hear from you, *as Episcopalians*. Many organizations are actively engaged in the debates on Capitol Hill. If we are not, others wind up speaking for us. We have a Christian view of public policy that our nation's leaders need and want to hear.

Benefits of Membership

Members receive:

- Policy alerts and calls to action
- Status updates for ongoing legislation
- Background on legislative issues and the Church's positions (Policy for Action)
- Advice on techniques for effective advocacy
- Notices of upcoming opportunities for advocacy in Washington, DC, and locally

Engage God's Mission Today—join the growing network of Episcopalians who are answering the call to public witness.

Become a member of the EPPN by visiting

www.episcopalchurch.org/eppn, or calling 1-800-228-0515.

Our strength is in numbers, so encourage your friends to join EPPN.
