

Pastors and lay leaders . . .
empower the laity,
God's primary agents
of mission in today's world

- Improve your leadership
- Deepen your spirituality
- Make the Sunday to Monday connection for every member
- Meet new colleagues

Member Mission Leadership Institute

October 6-11, 2008

From this 4-plus day event, starting with dinner on October 6 and ending with breakfast on October 11, you will come away with a wholly new way for your congregation and all of its members to understand mission and what it means to be "on mission."

You will leave better equipped to lead your congregation and its members to embrace more fully what it really means to live as a Christian every day.
