

## La Iglesia Anglicana de Mexico Provincial Contacts

The Anglican Church of Mexico can trace its roots to Mexico's war for independence in 1810. Religious reform in 1857 secured freedom of religion, separating the Roman Catholic Church from government and politics. In 1860, the newly formed Church of Jesus contacted The Episcopal Church seeking leadership, guidance and support. In 1958, the fourth missionary Bishop of Mexico was the first of the church's bishops to be consecrated on Mexican soil. The church became an autonomous Province of the Anglican Communion in 1995. [Wikipedia] At autonomy the church was known as the Episcopal Church of Mexico and has since changed its name to the Anglican Church of Mexico.
