

From the Editor:

At long last I have finally started again to compile the EAM Cycle of Prayer.

It will no longer be one book as you all will know that information contained within a book for one year becomes obsolete upon publication.

This first edition will be the section from Advent to the end of the calendar year.

In January another section will appear. This formatting will allow for a release of more than one edition with revisions following release. If you see something wrong, please send the corrections to your editor immediately so that a corrected and somewhat cleaner copy can be sent to all.

Finally, for the New Year I just got the publication for the Anglican Cycle of Prayer but only in word format for the first three months and so I am editing this as of this writing.

So keep sending corrections, changes in a timely manner so that at least it will be about as clean and updated as best as I can. Deacon@StJamesSF.org

Faithfully,
