**BEDDING PROVIDED:** A pillow, pillowcase, two sheets, one light blanket, one bath towel, one hand towel, and one washcloth will be provided by housing services.

**MEDICATION:** Please bring all prescription medicines in their original containers, which include dosage instructions. These prescription medications should be listed on the individual medical forms with condition and purpose. Adult mentors will be responsible for monitoring daily medications for their youth. However, all controlled substance drugs - such as narcotics, psychotropic drugs - and any medications requiring refrigeration will need to be turned into the nurse's office at registration to be administered during the event. Please place these in a Ziploc bag with the name of the individual, their adult onsite contact (if applicable) and diocese name on the outside of the bag. If you are bringing inhalers or Epipens, please bring two so that a back-up can be stored with the medical team. **CELL PHONES:** Participants may bring their cell phone, however use is discouraged during worship, plenary, and praxis sessions and lost or stolen cell phones are the responsibility of the individual.
