# Beijing Noonday Prayer

[updated for Beijing +25]

Dear God, Creator of the heavens and the earth, we pray for all who gathered in Beijing and for all those who were meant to attend and support the sixty-fifth session of the Commission on the Status of Women Meeting. Bless them.

Help us to see one another through eyes enlightened by understanding and compassion.

Release us from prejudice so we can receive the stories of our sisters and brothers with respect and attention.

Open our ears to the cries of a suffering world and the healing melodies of peace.

Empower us to be instruments in bringing about Your justice, peace and equality everywhere.
