

LITANY FOR THE CHILDREN

LEADER: Lord we thank you for gracing us with your love, teach us to pray

ALL: In the name of the Father and the Son and the Holy Spirit

For the young innocent children crossing the U.S./Mexico border

Good Lord, watch over them

For the lonely child wandering in search of love

Good Lord, watch over them

For safety from harm

Good Lord, watch over them

For compassion as they seek shelter among other children

Good Lord, watch over them

For daily prayer, comfort and understanding as they trust in the Lord

Good Lord, watch over them

That they may love, obey, and serve the Lord daily

Please bless and guide them, Lord

Keep the wandering children free from sickness or trouble

Good Lord, watch over them

Lighten their darkness we beseech you O Lord. Defend them from all perils, danger and harm. Grant this for the sake of your love.

Amen.
